

*Safari International is proud to announce that we are partnering with a host of other industry leaders in support of the Escapees Club and their efforts to establish an overnight parking etiquette standard.*

*The following is an overview of the policy. I encourage all within our club to abide by the standards while traveling across the country and find it necessary to park overnight in a business or restaurant parking lot.*

*Thank you.*

# Overnight Parking Etiquette

## RVER'S GOOD NEIGHBOR POLICY

The Good Neighbor Policy, which was created in the early 90s by the Escapees RV Club, has become the industry standard code of conduct for overnight parking. The Good Neighbor Policy serves as a reminder that RVer's must be respectful of the communities they visit.

1. Stay one night only!
2. Obtain permission from a qualified individual.
3. Obey posted regulations.
4. (Do not put out) awnings, chairs or barbecue grills.
5. Do not use hydraulic jacks on soft surfaces (including asphalt).
6. Always leave an area cleaner than you found it.
7. Purchase gas, food or supplies as a form of thank you, when feasible.
8. Be safe! Always be aware of your surroundings and leave if you feel unsafe.

If your plans include touring the area, staying for more than one night, or necessitate conduct not within the code, please relocate to a local campground. It's the right thing to do!

Most of the complaints lodged regarding RV parking on business parking lots have to do with aesthetics and perceived abuse of the privilege. The code of conduct is nothing more than an RVer's "Good Neighbor" policy.
